

PRELIMINARY PROGRAM

SUNDAY 8th JULY: YOUNG RESEARCHERS WORKSHOP

MONDAY 9th JULY

10-11 AM	SYMPOSIUM Energy choices from an interdisciplinary perspective (convener: C.A. Klöckner) part 1	SESSION (Urban design, sustainability and management of everyday life settings)	SESSION		
	<p>What we (do not) know about energy related lifestyles Schwarzinger, Stephan</p> <p>Analyzing energy-related behavior across 31 European nations using a choice experiment Cohen, Jed</p> <p>Social Science and Energy Choices – a Brief Introduction to the ECHOES Project Klöckner, Christian A.</p> <p>Examining the Barriers and Motivators Affecting European Decision-Makers in the Development of Smart Grid Technologies Bireselioglu, Mehmet Efe</p>	<p>Ayako Kita Usage proposals for local parks from the perspective of user characteristics and surrounding environments -A comparisons of 2001 and 2016 in Asahi-word, Osaka, Japan -</p> <p>Delphine Labbé, Community-based participatory research approach as a useful tool for urban environmental practice</p> <p>Banzhaf, Ellen Vegetation matters!</p> <p>Diniz, Raquel Neo-liberal cities and the right to the city: rethinking the urban in the people-environment relations</p>	<p>Da Costa, Isangelo Senna Fear of Crime in Public Spaces: Measurement and Implications</p> <p>Barros, Paula Lively streets in Brazil and United States: identifying universal and culturally specific factors that support social activities</p> <p>Haans, Antal Towards understanding the person-environment interactions behind aggression: The measurement of atmosphere in an urban bar street</p> <p>Yokoyama, Yurika Distribution of Burglary Spots and Natural Surveillance in a Suburban Residential Area with Central Pedestrian Walkways: a case study for planning for crime prevention in Japan</p>		

11.00-11.30 AM	COFFEE BREAK				
11.30 AM-1 PM	SYMPOSIUM Energy choices from an interdisciplinary perspective (convener: C.A. Klöckner) part 2	SESSION (Sustainable Arch)	SESSION (Human relations to nature and resource conservation)	SESSION	
	<p>Synergies and differences in the Echoes perspectives – an integrating analysis of energy choices Klöckner, Christian A.</p> <p>Electric Mobility in Europe: A Comprehensive Review of Motivators and Barriers in Decision Making Processes Bireselioglu, Mehmet Efe</p> <p>Identity and pro-environmental behavior: A meta-analysis Vesely, Stepan</p> <p>Psychological Determinants of Energy Saving Behaviour: An Individual Level Meta-analysis Panno, Angelo</p>	<p>Zağra, Hatice Çiğdem Major Impact of a Small Scaled Church Complex to the District in the Terms of Sustainable Architecture</p> <p>Asfour, Khaled Sayed Phronesis in Sustainable Design: Towards a Transition Tool for Arab Lifestyle</p> <p>Pitsikali, Alkistis Towards a more sustainable public: How can playgrounds support inclusive city space?</p> <p>Bettin, Johannes 21st – century Urbanization in the Global South and Environmental Concern</p> <p>Dütschke, Elisabeth Municipalities as drivers of the sustainability transition</p> <p>Ketizmen Onal, Gokce Construing Sustainability as Architectural Design Idea: Norddeutsche Landesbank, Hannover</p>	<p>Allgood, Elizabeth The True Value of Nature: Valuing conventional economic AND non-economic factors for more sustainable and successful wildlife conservation interventions</p> <p>Alves, Susana Intangible Aspects of Human-Nature Relationships: Critical Analysis and Potential Applications</p> <p>Marshall, Nadine Anne Beauty and the beast: the potential for aesthetics to support biodiversity management</p> <p>Ganzevoort, Wessel Bote Green volunteering as a sustainability transition: Motivations and obstacles</p> <p>Colley, Kathryn Social justice and access to natural environments: Investigating differences in the frequency of visits to the outdoors between population groups in Scotland</p> <p>Porat, Idan Yellow or Green? An investigation of landscape preferences in an arid environment</p>		
1.15-2.15 PM	LUNCH				

2.15-3.45 PM	SESSION (Theories and methods for people-environment studies)	SESSION (Sustainability life style)	SESSION (Ecological behaviour and climate change)		
	<p>Hipp, J. Aaron. Public, outdoor webcams and crowdsource methods for analyzing people-environment interactions</p> <p>Kuran, İpek Production of Interactive Spaces in the Collaboration of Biotechnology and Architecture</p> <p>Lee, Soyeon The effects of human behavioral factors on crime and fear of crime in school environments.</p> <p>Fay, Lindsey Improving the Emergency Department Experience: A Systems Theory Analysis of Efficiency</p> <p>Dushkova, Diana Assessing the Nature-Based Solutions in European cities: Framework for Development of Database</p> <p>Hoogendoorn, Gea The intention bias: The influence of the intention underlying a behavior on its perceived environmental impact.</p>	<p>Dinnie, Elizabeth 'It's not really about food ...': food growing, food justice and sustainability</p> <p>Elf, Patrick Assessing the potential of activating pro-longed behaviour change through adapting a LAGOM identity?</p> <p>Hamann, Karen My influence on the world (of others) - contrasting collective and self-efficacy about CO2 reduction in an experimental setting</p> <p>Lema-Blanco, Isabel The role of consumer cooperatives in promoting sustainable lifestyles: drivers for responsible consumption and learning spaces for collective engagement</p> <p>Güteryüz, Merve New Lifestyle: Eco-Villages and Their Sustainability Problems</p> <p>Nash, Nicholas Christophe Significant life events and environmentally-relevant behaviour change: a cross-cultural perspective</p>	<p>Perez-Lopez, Raquel A longitudinal study about connectedness to nature, wellbeing and climate change concerns among Spanish teenagers</p> <p>Fernandes-Jesus, Maria Collective action on climate change: contextual and socio-psychological predictors of actual protest behaviour</p> <p>Spence, Alexa Experiences of black outs impact perceptions of energy security and climate change and increase intentions to save energy.</p> <p>Barros, Hellen Climate change impact at the local scale according to the perception of Brazilian adolescents and associated indicators of sustainable lifestyles</p> <p>Barros, Hellen Climate change perception by Brazilian adolescents: bias of time and space</p> <p>Whitmarsh, Lorraine Walking the talk: Does climate change knowledge influence academic travel behaviour?</p>		
3.45-4.15 PM COFFEE BREAK					

4.15-5.45 PM	SESSION (SUPPORTIVE ENVIRONM)	SESSION (Environmental risks and hazards)	SESSION (Environment and health)		
	<p>Mizumura, Hiroko The study on provision of extra-care housing for the elderly till the end of their lives in Japan</p> <p>Park, Giyoung Sensory Design Lab: Testing the Relationships Between the Built Environment and the Human Response</p> <p>Sugawara, Maiko Educational Environment Improvement for Students who need Medical Care in Special Schools, Japan</p> <p>Kim, Mi hee The Study for Development and Planning of Korean Style Continuing Care Retirement Communities</p> <p>Kim, Dukwoo Discussing the possibility of post-appreciation environment that enhances unconscious recalls - Toward an impressive exhibition planning at museums</p> <p>Fukuda, Nana Aging in Place : Case study of Ten-Million House in Musashino City in Japan</p>	<p>Weiss, Karine Radioactive Remains: Press analysis and psychosocial reflections related to an emerging risk</p> <p>Isagawa, Teruyuki Influence of seawall on coastal residents' risk perception and evacuation behavior related to tsunami</p> <p>Fraijo Sing, Blanca Silvia Perception of risks in the rural population of the Valley of Guyamas (Mexico) exposed to the effects of climate change.</p> <p>Tapia Fonllem, Cesar Octavio Mining pollution in the Sonora River: Correlates of pro-environmental behavior and variables of social capital in its inhabitants.</p> <p>Antocheviz, Fabiana Bugs Transformations of ground floor interfaces, perception of security and occurrence of crime in a coastal city</p> <p>Lemée, Colin Understanding the relations between coastal flooding risk perception and coping strategies: Impact of place identity, self-efficacy and anxiety state on the willingness to cope</p>	<p>Estrada, Cesáreo Psychological effects on schoolchildren due to classroom noise</p> <p>Chiang, Yen-Cheng Relationship between urban green equity and resident well-being</p> <p>D. B. Reifschneider, Elisa Sculptural buildings, reflective glass buildings and graffiti art murals – an exploration into restorative profiles.</p> <p>Accorsi, Angelo The concept of health in Ontopsychology in clinical care as an intervention to promote health.</p> <p>Mygind, Lærke Nature-based health promotion for children and adolescents: a systematic review of interventions, designs and outcomes</p> <p>Ortega-Andeane, Patricia Hospital environment, stress, and burden to primary caregivers of cancer patients</p>		
6 PM	OPENING CEREMONY				
7 PM	MUSIC				
8 PM	WELCOME COCKTAIL				

TUESDAY 10th JULY

9-10 AM	<p style="text-align: center;">SYMPOSIUM Contributions of critical thinking to human-environment relations studies (convener: T.M. Farias)</p>	<p style="text-align: center;">SYMPOSIUM Innovations and new methods in Restorative Environment research (convener: J.A. Hipp)</p>	<p style="text-align: center;">SYMPOSIUM Transformative Research with our own Universities (convener: P.M. Schweizer-Ries)</p>	<p style="text-align: center;">SESSION (public health)</p>	
	<p>A critical discussion of research on the social acceptance of renewable energy generation and associated infrastructures and an agenda for the future Batel, Susana</p> <p>Micropolitics of place satisfaction: On the ideological implications of liking or not one's urban environment. Di Masso, Andrés</p> <p>Decolonial perspective and Latin American thought: an alternative agenda for investigations of human-environment relations Diniz, Raquel</p> <p>Ecologist Marx? Linking "environmental issue" and the capitalist production of space Farias, Tadeu Mattos</p>	<p>Project DeStress: Identifying quiet and calm areas in urban cities Payne, Sarah</p> <p>Stress recovery during exposure to natural and urban environments: A multi-lab replication Tanja-Dijkstra, Karin</p> <p>Interaction of activity and restoration in a US Park Prescription Program Hipp, J. Aaron</p> <p>iaps-Restorative Environment Network: a decade of engagement Carlos Galan-Diaz, PhD</p>	<p>Advancing Sustainability at New York University Wener, Richard Elliot</p> <p>University role in enhancing community sustainability Martincigh, Lucia et al.</p> <p>Transformative Sustainability Science at Universities to foster Sustainable Development Schweizer-Ries, Petra Monika</p> <p>Employing the UN SDGs as an Organizing Framework for Research and Action Senick, Jennifer</p>	<p>Poggio, Lucia Risk perception of pharmaceutical residues in waste water in senior residences</p> <p>Hofmann, Mathias Contact to Nature Benefits Health: Mixed Effectiveness of Different Mechanisms</p> <p>Sesti, Flavia Think globally, plan nationally, act locally: the social determinants of migrant health</p> <p>Payne, Sarah Exploring urban 'Feel Good Places' across cultures and ages</p> <p>Martens, Dörte Nature Experience Areas – A new environmental category supporting children's development</p>	
10-10.30 AM	COFFEE BREAK				

10.30-12 AM	SYMPOSIUM Urban green spaces for sustainability transition (convener: N. Kabisch)	SYMPOSIUM Moving along the path to recreation and sustainability (convener: R. Cervinka)	SESSION (Human relations to nature)	SESSION (Mobility)	SESSION (Positive environments in everyday life)
	<p>Urban green spaces for sustainability transition to health and environmental justice in cities Kabisch, Nadja</p> <p>The importance of inclusive natural environments as multifunctional arenas for promoting physical activity and well-being Ode Sang, Åsa</p> <p>Quantity vs. quality: assessing critical factors of public urban green space for providing ecosystem services. The case of Leipzig, Germany. Kraemer, Roland</p> <p>How healthy makes us the urban green? Spatial assessment of illness frequency and green areas at neighborhood scale in Bochum and Essen, Germany Inostroza, Luis</p> <p>Green space, noise and air pollution and mortality in Barcelona Nieuwenhuijsen, Mark J</p>	<p>Virtual nature supporting knowledge-workers' restoration and stress management Ojala, Ann</p> <p>The Sustainability Path at the University of Applied Sciences in Bochum/Germany - development from 2014 to 2018 Schweizer-Ries, Petra Monika</p> <p>Walking speed as a response to environmental features of a route Franěk, Marek</p> <p>The cold never bothered me anyway – looking at the role of thermal comfort on restoration Cooper, Jade & Wyles, Kayleigh</p> <p>Hallerwald – a case study on forest redesign in Upper Austria/Austria – from concept to evaluation Schwab, Markus</p>	<p>Delphine Labbè “When I’m out on the water, I feel free”: Benefits of contact with nature for people with disabilities</p> <p>Ensinger, Kerstin Mindfulness and nature: an ancient and powerful way to foster wellbeing</p> <p>Poškus, Mykolas Simas Connectedness with nature and environmental identity: what is the difference?</p> <p>Pasca, Laura Simulated nature and well-being</p> <p>Loupa-Ramos Isabel School gardening: exploring expectations towards a future vegetable garden</p> <p>Peters, Elise The benefits of nature for families living in women shelters: a practice based study</p>	<p>Willibald, Fabian Impacts of future mobility (modes and costs) on outdoor recreation demand in Switzerland</p> <p>Mertens, Lieze Individual, social, and physical environmental factors related to changes in walking and cycling for transport among older adults: a longitudinal study.</p> <p>Gonzatto, Ana Maria Safe routes to School as a strategy to carry out autonomous displacement and the use of the city by children - A study in Barcelona and São Paulo.</p> <p>Páramo, Pablo Urban walking as a learning experience of the city</p> <p>Wang, Bin Choosing between Bus Rapid Transit and Metro</p> <p>Medvedovski, Nirce Saffer The dangerous and difficult art of walking on the sidewalks of pelotas, rs, brazil</p>	<p>Steinebach, Christoph Enhancing resilience across the life span. The role of positive environments.</p> <p>Jansson, Märit School grounds for students in secondary school: size, content and design</p> <p>Martens, Dörte Nature Experience Areas – A new environmental category supporting children’s development</p> <p>Salgamcioglu, Mehmet Emin University Spaces: A Study On Human Behavior-Spatial Configuration Relationship in Architecture Schools of Istanbul</p> <p>McKay, Daniel R. Understanding student and staff subjective perceptions of their university physical learning environment and its role in the Higher Education process</p>

12.15 AM-1.15 PM	KEYNOTE: D. STOKOLS				
1.15-2.15 PM	LUNCH				
2.15-2.45 PM	SYMPOSIUM Nature experience and creativity (convener: K. Williams)	SYMPOSIUM People Environment Studies and Agent-Based Social Simulation (convener: T. Craig)	SESSION (Place Attachment)	SESSION (Energy)	SESSION (Sense of place, culture and space)
	<p>Exploring the perceived benefits of nature for creativity: Links to and divergences from theories of restorative environments Ratcliffe, Eleanor</p> <p>Assessing thoughts and attention during nature experience to understand benefits for creativity Lee, Kate E.</p> <p>Cognitive Restoration Through Interactions in Nature Strayer, David</p> <p>Creativity and the colour of nature Gatersleben, Birgitta</p> <p>On spaciousness and its key role in creativity, health, and wellbeing Van Rompay, Thomas</p>	<p>Evaluating the moral acceptability of energy systems using agent-based models de Wildt, Tristan</p> <p>Understanding people-environment relationships through social simulation: The importance of theory Craig, Tony</p> <p>An investigation through social simulations of the likelihood to reduce meat consumption in the UK Scalco, Andrea</p> <p>A Practice Theory Approach to Model Energy Use in Households Narasimhan, Kavin</p> <p>Organic food purchase behaviour: A simulation of grocery stores consumers Scalco, Andrea</p>	<p>Harper, Daniel Place attachment and language learning</p> <p>Aksel, Elif How place attachment promotes pro-environmental behavior? The relations between place attachment, pro-environmental behavior and type of housing</p> <p>Billig, Miriam The Quality of Life of Israeli Citizens: 10 Years after the Evacuation from the Gaza Strip</p> <p>Turgut, Hulya Community and place attachment: an interrogation by using the case of Suadiye, Kadiköy</p> <p>Overtom, Marjolein Euwkje Measuring the meaning of home</p>	<p>Bachmann, Friedel What drives people to carpool? Energy balance and behavioral determinants of carpooling in Switzerland</p> <p>Balest, Jessica Reducing energy efficiency gap through tenant's energy behavior change: a behavioral economics and sociology perspective</p> <p>Spence, Alexa Digital energy visualisations in the workplace: the e-Genie tool</p> <p>Jones, Christopher Robert Energy security in Greece and Turkey: The importance of pro-environmental and pro-cultural orientations in shaping public concern</p> <p>Demski, Christina Public conceptualisations of energy as a need and basic right</p>	<p>Gokce, Duygu Measuring sense of place in residential areas: through its indicators, housing typologies and place scales</p> <p>Bettencourt, Leonor Correia Sociability in Place in the Inner-city – a study in a Neighbourhood of Lisbon</p> <p>Boager, Enrica Lisbon's tourism in the press: making conflicts and alternatives (un)visible in a changing city.</p> <p>Petrocelli, Sarah Noelle Architecture and the Senses: A Sensory Musing Park.</p> <p>Salgamcioglu, Mehmet Emin Analysis of Behavioral Processes in Cultural Centers Through the Concepts of Construction and Time:</p>

			Ura, Liridona An analysis of space and place meaning in the evolving process of old traditional houses in Shkodra	Suetterlin, Bernadette Effectiveness of a green electricity default and factors driving switching behavior	A Comparison of Three Buildings in Istanbul
3.45-4.15 PM	COFFEE BREAK				
4.15-5.45 PM	SESSION (Sustainable attitudes and values)	SESSION (Community, participation and sustainability)	SESSION (Design and people-environment studies)	SYMPOSIUM Public participation revisited 10 years later (convener: A. Churchman & E. Sadan).	SESSION (Environmental governance)
	<p>Klaniacki, Kathleen Attitudes and behaviors towards energy conservation: investigating place attachment in Eastern Transylvania, Romania</p> <p>Sorvali, Jaana From values to behavior – the transition towards climate smart agriculture in Finland</p> <p>Richter, Isabel A social norms intervention going wrong: Boomerang effects from descriptive norms information</p> <p>Pahl, Sabine Exploring public views on marine litter in Europe: Perceived causes, consequences and pathways to change</p>	<p>Mahmood, Atiya Participatory Research and Knowledge Mobilization: Audits and Photo Documentation with Mobility Assistive Technology Users</p> <p>Nazmy, Hebatalla Sherin The Relation Between Building, Site, and Occupant Behavior in Sustainable Residential Design</p> <p>Rollings, Kim Participatory Design Research and Adults with Serious Mental Illness</p> <p>Barros, Edinea Alcantara The Sustainable Development Goals in Brazil: development, social well-being and neoliberalism</p>	<p>Canakcioglu, Nevset Gul Resistance of modern architecture against time: the yesilkoy mass housing project of the baysal-birsel partnership</p> <p>Maxwell, Lorraine E. The role of schools in the sustainability challenge</p> <p>Toorn, Martin van den Research methods in the analysis of 19th century public parks in Central and Eastern Europe; an analytical framework as basis for research</p> <p>Kalantidou, Eleni Design Psychology: a theoretical exploration of the production and practice of unsustainable lifestyles.</p>	<p>Research and Action on Participation for Sustainable Development in our own Universities, Cities and Regions Schweizer-Ries, Petra Monika</p> <p>A participation process for improving the liveability of a neighbourhood in Rome: the potential of the Environmental Island tool Martincigh, Lucia</p> <p>Towards Citizen Control: Neighbourhood Plans in England Bishop, Jeffrey Frank</p> <p>Public participation in Israel 10 years later Churchman, Arza & Sadan, Elisheva</p>	<p>Di Pietro, Barbara Empowering local public authorities to build integrated sustainable energy strategies</p> <p>Lenoir-Improta, Rafaella The legitimation of renewable energy infrastructure through media representations of people-place identity bonds</p> <p>Santos, Tânia Doing (dis)empowerment under ecological governance: a contribution to recognize them in discourse and communication</p> <p>Gomez-Roman, Cristina Implementation of decentralized water treatment systems:</p>

	<p>Poortinga, Wouter Parenthood and environmental attitudes: A longitudinal analysis using data from the New Zealand Attitudes and Values Study</p>	<p>Teffera, Yohana Eyob Water management in the case of Ethiopian Integrated Housing Development Program: How Sustainable?</p> <p>Knemeyer, Ann-Katrin Sustainability in a neighborhood community – qualitative research on the influence of different stakeholder perspectives and perceptions on the realization of sustainability within a selected quarter in a German City</p>	<p>Ceja Rojas, Thalia Mariana The library of 21st century ¿Rules or not rules?</p> <p>Shon, Seung Kwang Design model of hybrid Hanok and evaluation from tradition and modern</p>	<p>Digital methods of participatory spatial analysis as a means to represent different interests in decision making Köckler, Heike</p> <p>Building blocks for a massive digital participation system in urban planning Mathias Hofmann et al</p>	<p>Measuring factors that affect public acceptance</p> <p>Küçükural, Önder Solutions Considered: Realist versus Idealist Tension in Disguise</p> <p>Mouro, Carla (Re)Creating identities, place and time through policy-legal frameworks for ecological conservation: a comparative study on the local negotiation of fishing laws</p>
